Subject: April 2014 Monthly Progress Report for the Techalloy site Union, Illinois

Dear Mr. Ruopp;

Per our phone conversation on April 17, 2014, Techalloy will email and mail a copy of the April 2014 Monthly Progress report to the EPA on Monday, April 21, 2014. The delay in the delivery of the Progress report was due to Central Wire's person who sign's off on the report was out of the country. For future reference, Monthly Progress reports are due by the fifteenth day of each month and report the previous month's activities and progress. Please contact and notify the EPA if there is a delay in delivery before the due date. If you have any questions or comments please contact me.

Respectfully,
